

§ 143.33

7501 data utilizing ACS in order to obtain the release of merchandise from Customs custody.

(k) *Electronic entry summary*. “Electronic entry summary” means the electronic transmission of CF 7501 data utilizing ACS for the purpose of duty assessment and the collection of statistical data.

(l) *Filer*. “Filer” means the party certifying the electronic filing of the application for immediate delivery, entry or entry summary. Filer may be a broker or an importer of record filing his own entries through ABI without the use of a broker.

(m) *Preclassification/binding ruling number*. “Preclassification/binding ruling number” means the system by which classifications are approved and assigned a unique identifying number. This number may be transmitted as part of the ABI data.

(n) *Records*. “Records” means the records as defined in part 163 of this chapter, which are required to be maintained pursuant to this chapter.

(o) *Selectivity criteria*. “Selectivity criteria” means the categories of information which guide Customs judgment in evaluating and assessing the risk of an immediate delivery, entry or entry summary transaction. Based upon these criteria, immediate delivery or entry transactions will be subject to either general examination, general examination with document review, or intensive examination. Entry summary transactions will be subject to either system review or summary document review. General examination (entry/immediate delivery) and system review (entry summary) procedures will constitute electronic processing provided all conditions necessary for electronic processing contained in this part are met.

(p) *Statement processing*. “Statement processing” means the method of collection and accounting within, ACS which allows a filer to pay for more than one entry summary with one payment. ACS/ABI generates the statement, which is transmitted electronically to the filer, consisting of a list of entry summaries and the amount of duties, taxes or fees, if any, due for payment. Upon payment and collection of the statement, those entry sum-

§ 143.33 Eligibility criteria for participation.

To be eligible for electronic immediate delivery, electronic entry and electronic entry summary, the filer must be qualified to use the ABI feature of ACS, as prescribed in § 143.5. To be eligible for electronic entry summary processing, filers must be authorized to use the ABI statement processing system. Filers not so authorized would have to follow the electronic entry summary with the submission of an entry summary in paper form along with any duties, taxes or fees accruing.

§ 143.34 Procedure for electronic immediate delivery or entry.

To file immediate delivery or entry electronically, the filer will submit certified immediate delivery or entry data electronically through ABI. Data will be validated and, if found error-free, will be accepted. If it is determined through selectivity criteria and review of data that documentation is not required to be physically submitted in paper form, merchandise will be released and Customs will electronically notify the filer.

§ 143.35 Procedure for electronic entry summary.

In order to obtain entry summary processing electronically, the filer will submit certified entry summary data electronically through ABI. Data will be validated and, if the transmission is found error-free, will be accepted. If it is determined through selectivity criteria and review of data that documentation is required for further processing of the entry summary, Customs will so notify the filer. Documentation submitted before being requested by Customs will not be accepted or retained by Customs. The entry summary will be scheduled for liquidation once payment is made under statement processing (see § 24.25 of this chapter).
